

VERBATIM LED AR111

The true performance plug-in halogen lamp replacement with a high CRI of ≥ 90 for optimum light quality

- Long lifetime of 50,000 hours
- Full range of beam angles from narrow to wide and colour temperatures from warm to neutral white
- Light weight of only 90 grams
- No glare, indirect lighting
- Dimmable
- Unique heatsink design for optimal thermal management developed by Mitsubishi Chemical Corporation
- Well-defined fitting size for direct replacement of conventional halogen lamps
